SHELBY - Double

Assembly Instructions

Before you begin...

1. Please check in your desired room of use.
2. Unpack **all** boxes and lay out each component on the floor.
3. Check your product for any damage that may be immediately obvious. If damage is identified, please contact your retailer.
4. Please read through these instructions thoroughly to ensure you have constructed your bed correctly.

For Care and Maintenance of your bed...

- Always assemble in your desired room of use.
- Always check all screw and fixings periodically to ensure they are still secure.
- Do not push or pull this bed as it will cause damage.
- Always lift this bed with a second person to prevent damage or injury.
- Keep any sharp objects away from this bed frame.

For your Health and Safety...

- Please don't not jump on this bed.
- Do not use this bed if you find missing, damaged or worn parts. Please contact your retailer.
- Please do not use this bed until you have fully secure all fixings.
- Please keep all small components away from children.
- Please ensure this bed is on an even, level surface.

Also...

If your desired room of choice has a non-carpeted surface ensure please that you use some form of anti-slip protection and **do not** place directly on the wooden floor. This will prevent the bed from moving and therefore collapsing which will void your guarantee...
